Mr. Alan McNally,

On behalf of the members of the Midland American Legion Berryhill Post 165, I want to thank you for the many gifts that you have donated to us over the past year.

The pocket knives engraved with the branches of service, the fillet knife, and the engraved mugs...just to name a few. These items were raffled off, and have helped us raise money for many activities benefiting Veterans.

Again, I thank you for supporting our American Legion. The Members and Patrons of Berryhill Post 165 deeply appreciate you, your business, and your desire to assist a Veterans' organization.

If you have any questions, please contact me at any time.

Best Regards,

Jeff Wood
